

## Tutoring:

The Kingsborough Learning Center (KLC) is offering FREE tutoring in almost all Kingsborough Community College courses for the Spring 2023 semester. Tutoring sessions will be offered in-person and online. There will be tutoring available on campus for most classes that are taking place in-person (Math, Writing, Science & many more). Tutoring sessions will be offered mainly on an appointment basis. If the appointment/session has a room listed in the library building, then your appointment is scheduled to meet in-person. If it says online by the room location, then the appointment will be online via Zoom. For your online session, the Zoom link will be sent after you successfully book your appointment.

Students can sign-up online by going to: <https://kingsboroughcc.okta.com/>
